SONOS
The sound you love.
Everywhere you live.
Meet **Sonos Play**.

**Big sound. Just the right size.**
From countertop to mountaintop, Sonos Play brings big stereo sound and deep bass to every space, indoors and out.
**Play your way, at home and away**
Use WiFi for seamless multiroom listening with your Sonos sytem at home. Switch to Bluetooth® and take Sonos sound anywhere.
**Battery life that goes the distance**
With up to 24 hours of playback, you can leave the charger and your worries behind.

**Group anywhere – even off the grid**
Easily group two or more Sonos Play speakers over Bluetooth to fill your campsite or park picnic with powerful sound.
**Grab and go**
The compact design fits comfortably in your hand, and the attached loop gives you a secure grip wherever you're headed.
**Power more than your music**
Sonos Play doubles as a power bank so you can keep your phone charged and your playlist going.

# Tech Specs

## Built to last

Optimized power management keeps your battery going longer. And when it's time for a new one, simply replace the battery – not the speaker.

## Ready for whatever your day holds

Sonos Play is rated IP67 for waterproof and dustproof protection, and the durable design handles unexpected drops.

**Colors**
Black, White - Matte finish

**Dimensions**
Height: 7.56 in (192 mm)
Width: 4.43 in (113 mm)
Depth: 3.02 in (77 mm)

**Weight**
2.87 lb (1.3 kg)

## Set it down to power it up

Place the speaker down on the included wireless charging base to keep it powered up and ready to play.

## Tunes itself like magic

Automatic Trueplay™ makes sure you get the best possible sound, no matter where your speaker is.

## Built-in voice control

Enjoy hands-free ease and unmatched privacy with Sonos Voice Control on WiFi and Bluetooth.
