

One (Gen 2)

SONOS

The powerful smart speaker
with built-in voice control.

**Play and control your music,
hands-free. Just ask.**

Sonos One gives you rich, room-filling sound and has the Google Assistant and Amazon Alexa built right in for simple voice control of your music and more. Use your voice to play songs while you cook. Easily turn the volume up while you're in the shower. You can even request a lullaby, out loud, when you're putting the kids to bed.

Enjoy music and more

Ask your Google Assistant or Alexa to check news and traffic, set timers, manage your smart devices, and more with a single Sonos speaker.

*Sonos One does not support Alexa voice calling

Listen in any or every room

Sonos One wirelessly connects to Sonos speakers all over your home, so you can easily expand your system when you're ready.

Superior Sound

Enjoy rich, room-filling sound from a compact smart speaker.
