The portable smart speaker for all your listening adventures.

SONOS

Take incredible sound everywhere with Roam. Enjoy music, voice control, and multiroom listening at home on WiFi, plus Bluetooth streaming, all-day battery life, and waterproof durability on the go.

### A seamless listening experience, everywhere

Enjoy the unmatched Sonos experience on WiFi, and stream directly from your smartphone, tablet, or computer using Bluetooth.

Roam automatically connects to your home network and pairs with your phone when you're away. So all you have to think about is what to play.

### Up to 10 hours of play time

Powered by a built-in rechargeable battery, Roam is ready to soundtrack your day, whether you want to unwind in the backyard or escape to the backwoods.

### Sound that defies expectations

Precision-engineered acoustics deliver the clarity, depth, and fullness you would expect from a much larger speaker.

### Tunes itself like magic

Using automatic Trueplay™ tuning, Roam smartly adapts to your surroundings and whatever you're listening to for sound that's astonishingly detailed and perfectly balanced.

### Refined yet rugged

Roam blends beautifully into your home, and its lightweight, waterproof, and durable design is ready for all your outdoor adventures.
