# SONOS ARC. THE SOUNDBAR FOR MUSIC LOVERS.

ARC's Eleven-speaker design floods any room with super-realistic DOLBY ATMOS audio for games and movies, huge waves of live concert sound, and wireless streams of all the music on earth. And it all comes from one easy-to-use player that brings HiFi sound to your high-definition TV. SONOS ARC is quick and easy to set up. Just plug the power cord in, attach the HDMI cord to your TV and connect to your home wireless network router. Control TV volume using your existing IR remote(s). Download free Sonos apps to control ARC with your iPhone, iPad or Android device and stream your music, even when your TV is off. ARC is perfect on its own but ready to welcome any new Sonos additions into the fold. Add a Sonos SUB or two for soul-shaking sound, or add in a pair of wireless ERA 100 for surround sound or Era 300 for a more immersive Dolby Atmos surround sound experience.
